

TUITION IS SET UP AS A YEARLY FEE DUE ON OR BEFORE THE FIRST CLASS. TUITION IS NOT A PAY BY CLASS TAKEN.

We do have a few options for payments, tuition can be made in monthly payments due by the first class each month. If choosing this option and payment is made after the 10th a late fee of \$5.00 will be added to your account, if paid after the 15th a \$10.00 late fee is added.

Private lessons are available if your child becomes ill and misses two or more consecutive classes, this is NOT included in tuition. The staff are not responsible for catching your child up for classes missed. If your child will be missing more than two consecutive lessons you must set up a private lesson with the instructor, we cannot hold back a class to catch up a child that has missed. You are obligated to pay your tuition regardless if the child misses class or not.

Payment plans: There are a few options for paying tuition, you may pay up front for the year, split the tuition in half and pay the second half on or before the first class in February, or make monthly payments, September through June. We pride ourselves in offering the highest quality dance education at the most affordable for families in our county! If you need to make arrangements for a later payment during the month or split the payment in two we will allow it, however a \$5.00 fee is added to the amount due and arrangements must be made with Mrs. Callie.

Discounts are as follows... More than 1 child 10% discount. Unlimited classes \$150.00/month; this means your child can take all classes offered for their skill/age level. Unlimited class rate does not qualify for sibling discount. Tuition is not altered for holidays or classes missed. There are no credits or refunds given at any time for classes missed, no exceptions. **Tuition is set up on a payment plan for 10 months with the last payment being made the first of June.** If your child's class is canceled due to illness of an instructor, the instructor can make up the class on a specified date in which the instructor will give at least a week's notice of said makeup date. We have highly qualified faculty and assistants, we make every effort to have a substitute and very rarely cancel. Our studio follows the Highlands County school calendar and is closed on all major holidays unless stated otherwise, for example, Thanksgiving, Christmas and Spring Break.
